Recommendation

6. Declarations

- [ ] I tested only in-scope assets, as described in the MacUncle Vulnerability Disclosure Policy.
- [ ] I did not access, modify or retain other users' data beyond what was needed to demonstrate the issue.
- [ ] I will not publicly disclose this issue until MacUncle has had a reasonable opportunity to fix it.
- [ ] The information in this report is accurate to the best of my knowledge.

Name (as signature) *

Date *

How to submit

Save this PDF and email it, with any attachments, to support@macuncle.com.
